PROFILE SUMMARY

Full Stack Developer and Artificial Intelligence enthusiast with comprehensive expertise in MERN and Spring Boot. Successfully delivered projects that improved efficiency and user satisfaction, showcasing strong problem-solving abilities and adaptability. Skilled at rapidly integrating emerging technologies to drive innovative solutions and meet evolving project demands.

EDUCATION

KL University, Bachelor of Science in Computer Science   Aug 2022 – May 2026
- CGPA: 9.23/10.00

AP Model School and Jr.college, XII Maths, Physics Chemistry   july 2020 – May 2022
- Marks: 595/1000

Jai Bharath Public School, Secondary School Education, X   june 2019 – May 2020
- Marks: 578/600

PROJECT EXPERIENCE

Mental Health and Fitness Platform for Students

- Created a comprehensive online platform focused on mental health support, fitness programs, and nutrition advice for students.
- Implemented key modules for student-users, counselors, nutritionists, and administrators using Spring Boot for the backend and JSP for the frontend.
- Enhanced user experience by providing tailored wellness resources and interactive features.

Movie Recommendation System

- Designed and built a web-based movie recommendation system using Django framework.
- Implemented collaborative and content-based filtering algorithms to suggest personalized movie recommendations.
- Utilized Python libraries like pandas and NumPy for data processing and analysis.

E-commerce Supply Chain Management

- Developed an end-to-end supply chain management platform to streamline inventory tracking, order processing, and logistics for e-commerce businesses.
- Built the backend using Spring Boot and designed the frontend with React.js for a dynamic and responsive user experience.
- Integrated MySQL database for efficient storage and retrieval of product and order data.

SKILLS

Languages: C, Java, Python, SQL
Development Stack: MERN Stack, Spring Boot, Django, Flask, MySQL

GLOBAL CERTIFICATIONS

- AWS Cloud Practitioner
- Red Hat Enterprise Application Developer (EX-183)
- Salesforce AI Associate
